## Introduction

I

1. Refining in Africa - an Overview	7
2. Challenges	11

## Refinery-by-Refinery Analysis

II

3. Angola	19
3.1 Sociedade Nacional de Combustíveis de Angola (Sonangol)	21
4. Cameroon	25
4.1 Société Nationale de Raffinage (SoNaRa)	27
5. Chad	33
5.1 Société de Raffinage de N'Djamena (SRN)	35
6. Congo	39
6.1 Congolaise de raffinage (Coraf)	41
7. Côte d'Ivoire	45
7.1 Société Ivoirienne de Raffinage (SIR)	47
7.2 Société Multinationale des Bitumes (SMB)	53
8. Gabon	57
8.1 Société Gabonaise de Raffinage (Sogara)	59
9. Ghana	63
9.1 Tema Oil Refinery (TOR)	65
10. Kenya	71
10.1 Kenya Petroleum Refineries Ltd (KPRL)	73

<b>11. Nigeria</b>	79
11.1 Overview of Nigerian Market and Economics	81
11.2 Overview of Nigerian Refinery Ownership	83
11.3 Kaduna Refining & Petrochemical Co. (KRPC)	85
11.4 Port Harcourt Refining Co. (PHRC)	89
11.5 Warri Refining & Petrochemical Co. (WRPC)	91
11.6 Overview: Future Plans	93
<b>12. Senegal</b>	95
12.1 Société Africaine de Raffinage (SAR)	97
<b>13. South Africa</b>	103
13.1 Overview of South African Market	105
13.2 Chevref	109
13.3 Enref	113
13.4 Natref	117
13.5 Sapref	119
<b>14. Sudan</b>	123
14.1 Khartoum Refinery Co. (KRC)	125
14.2 El Obeid Refinery Co. (ORC)	129
<b>15. Zambia</b>	131
15.1 Indeni	133

## Outlook

16. The Future of African Refineries	139
17. Conclusion	144

## List of charts and photos

1. Operating oil refineries	p. 9
2. Closed refineries	p. 10
3. Refining capacities	p. 11
4. The SIR refinery in Abidjan	p. 49
5. The KPRL refinery in Mombasa	p. 74
6. Kenya products pipeline	p. 76
7. Nigerian pipeline network and pumping stations	p. 81
8. KRPC utilisation rates	p. 86
9. Units at the Kaduna plant	p. 86
10. PHRC utilisation rates	p. 90
11. WRPC utilisation rates	p. 91
12. South African oil refineries and synfuel plants	p. 106
13. Engen's presence in Africa	p. 115
14. The KRC refinery in Khartoum	p. 125
15. El Obeid typical product yields	p. 130
16. Refining projects having reached completion	p. 141

*For refinery capacity/configuration and local demand tables, please refer to the relevant country/refinery.*
